Information for 2018/2019 season

Fall Camps

RRMHA has again hired GT Performance Hockey to run fall camps in St. Malo in September - planned start date is Sept. 17th. Please watch the website for exact dates/times. You can register on the HCR Parent portal (the link is on RRMHA's Website) for these. The cost will be \$50 for initiation camp and \$75 for the others. A maximum of 25 kids per camp will be permitted.

Evaluations

Fall evaluations will also be held in St. Malo arena following the hockey camps. Again, dates and times for each group will be posted on our website. RRMHA will utilize the same system as last year, Max EA Evaluation software, to create the teams for the year.

PeeWee

There will be a PeeWee AA team for anyone interested; information will be available on Eastman's website. Eastman is also continuing with the PW Development/Coach Mentorship Program. This comes at a cost of \$100 per PW player. RRMHA has chosen to mostly subsidize this cost instead of raising PW fees.

Bantam

Bantam Tryouts - AAA see EMHA website for information; AA - see SW Jets website.

2018/2019 Season Fees

RRMHA saw a net loss for this season, but within the budgeted allocation. We are committed to maintaining player fees as low as possible, while still maintaining a quality hockey program. As such, we have frozen the fees for the upcoming year.

Initiation

We are planning for 3 teams again; cross-ice practices & games. Help spread the word and get more kids on the ice! Initiations will practice 3 times in two weeks (instead of 2 practices per week) in light of feedback we have received from this group.

Practice Schedule

We are aiming to keep the similar practice schedule as last season, tweaking it as needed to accommodate all teams.

PARENT ONLINE REGISTRATION

Registration for 2018/2019 season AND for fall camps will be available online beginning **Monday, June 4, 2018**. Please register in June to aid in the team format(s) for the upcoming season. Please note that registration for camps and regular season are separate entries (so registering for the regular season does NOT mean camp registration as well).
